To Whom It May Concern:

This letter is a testimonial about Leroy Ellington and the E-Funk Band, an amazing musical talent that Greater Cincinnati is fortunate to have in our reach for the entertainment and business community.

The Business Courier employed Leroy Ellington and the E-Funk Band to play at one of our most prestigious events, our Book of Lists Party, at the Aronoff Center in February 2005 for nearly 400 guests. Mr. Ellington and the band rocked the house. Their professionalism and talent shined before, during and after the event. The feedback from our guests was spectacular and, as a result, we have invited the band to play for our Forty Under 40 event this fall, in addition to inviting them back to play our Book of Lists Party in 2006.

The Business Courier gives its highest recommendation for Leroy Ellington and the E-Funk Band and strongly urges anyone seeking entertainment to consider this talented group. Our readers and advertisers are business owners and executives, and they truly enjoyed the music. The band plays great jazz and blues, and the musicianship and vocals are phenomenal. We look forward to a long-lasting relationship with Leroy Ellington.

Sincerely,

Joy Lytle
