Re: Daughter's Wedding 10/7/06
25th Anniversary Party 10/8/06

Dear Leroy:

The party of the year times 2! I have been told by many that the events created by my wife, and her team of consultants, planners, decorators, etc. were unlike anything experienced at Kenwood Country Club in its over 75 year history. My wife, daughter, and I were already familiar with you and were very comfortable in having you and your group as a key element of our plans. Our expectations were very high and I am pleased to say that they were exceeded. You and your group were an integral part of each party's success.

I cannot recommend your group high enough, so please feel free to use me as a reference either by use of this letter, my name, or if someone wishes to contact me personally.

Sincerely,
